Uh? Where did Regis go?
When did he disappear? He was right behind us a moment ago...
This should be convenient for both of us don't you agree?
Don't worry too much about anyone coming near this area.
......
휘릭
You saw, right? This guy here was setting up a simple trap...
Anyone who comes near this area will fall asleep.
I wanted to use poison, not sleeping gas, but if we cause too much trouble here the higher-ups will be up in arms, nagging at us...
It's a rather crude setup, but it'll be enough for us to have fun.
......
It's really nice to meet you. We couldn't finish last time because of the interference. Right?
You don't know how dissatisfying it was that I couldn't witness you beg for your life.
Like those damn fools back then who called themselves Noblesse...
......
How laughable.

I'll give you credit. You're reacting quickly enough to avoid any fatal blows.

We've been taking matters about the Noblesse too lightly.
It won't be easy for us right now.
Hammer!
We shouldn't be doing something dangerous when it's beyond the scope of our mission.
If you want to face him by yourself, I won't stop you.
......
If you wish to flee, then do so.
I do not attack a retreating enemy from behind.
Such actions are utterly inelegant, after all.

WHAT HAPPENED?
WE WERE DEFEATED.
DEFEATED? SERIOUSLY?
THOSE GUYS? BY WHOM?
WE WERE BEATEN GOOD.
HAMMER! WHO SAID ANYONE LOST!
WE HAVN'T EVEN TAKEN D YET!
THAT MAY BE TRUE, BUT BOTH OF US WERE HELPLESS AGAINST HIM.
IF YOU HADN'T MADE US RETREAT, WE COULD'VE KILLED THAT BRAT.
HAMMER. REPORT WHAT HAPPENED.
WE CLASHED AGAIN WITH THE NOBLESSE WE RAN INTO BEFORE.
WE COULDN'T EVEN MAKE A STAND AGAINST THAT BRAT BEFORE WE WERE DEFEATED.
THAT'S NOT HOW IT HAPPENED!
IF WE'D TAKEN THE D, WE WOULDN'T HAVE SUFFERED DEFEAT, BUT WE COULDN'T WIN IN OUR CURRENT CONDITION AND SO CALLED FOR A RETREAT.
THIS NOBLESSE KID WAS THAT STRONG?
BUT THE GUYS FROM THE PAST WERE NOTHING.
WE WERE MISTAKEN ABOUT THE NOBLESSE. HE WAS FAR SUPERIOR TO THE GUYS FROM BEFORE.
MAYBE THOSE GUYS ONLY HAD THE AUGMENTED POWER OF MODIFIED HUMANS.
I DON'T THINK THOSE GUYS WERE NOBLESSE.
I REMEMBER THE CONTENTS OF A TRANSMISSION THAT THE UNION SENT US DURING OUR FIRST MISSION.
IT SAID TO AVOID ALL CONFLICT WHENEVER POSSIBLE WITH THE NOBLESSE.
HN. THE SITUATION WASN'T AS SUCH THE UNION HAD TO STRESS THAT.
EVEN IN OUR CURRENT CONDITION, IT WASN'T AS THOUGH WE COULDN'T DEAL WITH THAT KID'S SPEED AND POWER.
THE PROBLEM WAS THAT ONE ABILITY.
ABILITY?
THAT'S RIGHT. WHEN I MET HIS GAZE, MY BODY FROZE UP INVOLUNTARILY.
AS THOUGH HE COMMANDED MY BODY TO STOP...
BY THE TIME I GATHERED ENOUGH STRENGTH TO RESIST, IT WAS TOO LATE TO DODGE HIS ATTACK.
I JUST BARELY AVOIDED ANY FATAL BLOWS.
!?
LIKE SHARK IS SAYING, IT LOOKS LIKE THE NOBLESSE'S UNIQUE ABILITY IS TO ATTACK THE MIND, USING MIND CONTROL.
IT FELT LIKE HE COMMANDED US TO STOP OUR ACTIONS.
THIS POWER ONLY LIMITS OUR MOVEMENTS FOR AN INSTANT BEFORE WE'RE ABLE TO RESIST IT, AND IT ISN'T STRONG ENOUGH TO COMPLETELY CONTROL US, BUT IF IT'S USED APPROPRIATELY DURING BATTLE, IT'S A VERY DANGEROUS ABILITY.
FOR YOU TWO TO SAY IT LIKE THAT?
WOW- THAT'S AWESOME. USING SUCH ABILITY...

HN. NOTHING AWESOME ABOUT IT. IF WE WEREN'T UNDER THE RESTRICTIONS, IT'S NOTHING.
THAT KIND OF ABILITY WON'T WORK IF WE COULD TAKE THE D.
SO IT'S THAT KID. IT'S THE FIRST TIME HE'S DONE SOMETHING LIKABLE.

THERE IS A QUESTION THAT I WOULD LIKE TO ASNWER.

WHY DON'T I UPLOAD THE CHAPTERS?

WELL THERE ARE A FEW REASONS ACTUALLY.

THE CHAPTERS ON THE FORUM WILL NEVER GET UPLOADED IN THE WRONG ORDER.

ALL THE FORUM CHAPTERS WILL HAVE THE MAXIMUM QUALITY POSSIBLE (APART FROM MY NEWBISH MISTAKES).

IF I UPLOAD THE NOBLESSE CHAPTERS IT WILL LOSE A LOT OF DETAIL AND THIS HAS SOMEWHAT BECOME A PROBLEM AMONG SOME FANS.

IT WILL INCREASE THE FORUM TRAFFIC A LITTLE. WOULDN'T THAT BE GREAT?

I HOPE YOU'LL BE ABLE TO UNDERSTAND THAT I TRY TO PLEASE AS MANY FANS AS POSSIBLE WHILE STILL TRY TO DELIVER YOUR DAILY FIX.

PLEASE DON'T HESITATE TO COMMENT ON THE CHAPTER AND AS ALWAYS A FEW SUGESTIONS ARE WELCOME!

P.S I'M THINKING ABOUT DOING 2 CHAPTERS A DAY.

WHAT'S EVEN MORE INFURIATING IS THAT EVEN KRANTZ IS LETTING M-21 DO AS HE PLEASES!

HE'S YOUNG.
ISN'T HE? HE'S MORE IMPRESSIVE THAN HE LOOKS.

THOSE THREE OVER THERE ARE THE KIDS THAT TAKEO AND TAO CONTACTED.

I TOLD YOU. THEY WERE WITH THE NOBLESSE.
I NEEDED THEM TO CATCH THIS BRAT.
THINGS TURNED OUT WELL. I CAN DISPOSE OF ALL OF THEM WITHOUT HAVING TO GO THROUGH THE TROUBLE OF HUNTING THEM DOWN SEPARATELY...
HUNTING THEM DOWN SEPARATELY WHAT ARE YOU TALKING ABOUT?
IT MEANS I WAS GOING TO ELIMINATE THOSE KIDS ANYWAYS. SINCE THEY MADE UNNECESSARY CONTACT WITH YOU.

UNLESS WE INTEND IT, THERE IS NO COMMUNICATION, BUT WE ARE AWARE OF EACH OTHERS' PRESENCE.
WE CAN FEEL THAT AWARENESS WITHIN A SET DISTANCE.
BUT WHEN THAT FEELING DISAPPEARS SO SUDDENLY...
IT MEANS EITHER DEATH, OR UNCONSCIOUSNESS.
REGIS WOULDN'T HAVE MOVED TO A PLACE TOO FAR FOR THE CONNECTION TO REACH WITHOUT TELLING MISS SEIRA.
THAT MEANS THERE IS A LARGE POSSIBILITY OF THIS BEING RELATED TO THOSE PEOPLE THAT REGIS FOUGHT BEFORE.

After all, I don't want you to die too quickly.
I hope you're ready?

Who the hell is that guy? Hey Tao.
Didn't you say it'd take 15 to 20 minutes? What happened?
Y-yeah. You already know that it takes about that long to get from the entrance to here.
True... There's no way he could've come this fast. Is the equipment broken.
There shouldn't be anything wrong with the equipment.
The sensors were activated after he arrived here? That can't be possible.
Rai?
Why is Rai here?
Rai! How'd you get here?
......
Why is that person here...
Eh? You guys know each other? Now that I think about it...he's wearing the same uniform as those kids.
Shark. You did get rid of their personal effects while you were bringing them here, right?
Of course! I definitely destroyed all of their cell phones.
They have nothing that can send a signal outside.

Hey. How the hell did you find this place?
And there's no way you'd have come alone... Where are the others? Huh?
It's a good idea to be quick with your replies.
What a terrible habit. You're harrassing innocent children again?
What?
Is there nothing else you can do except bother powerless humans?

Oh-ho. Not gonna answer?
Every one of you is like this. Why are all the kids in this country so miserable?
Don't you know that you could get killed if you fool
Can't even grasp the situation... Mere words won't help you understand anything, is that it...
I'll fix that attitude... Huh?
W-what's happening? My body...
What's going on?
My body...won't move.
The energy that I sense from that person...
This sensation... Could it be...

I did not give you permission...
To move.

Then this is...

I can't believe it. Such powerful mind control...

They protected my wallet, you see

No need to be surprised. I'm merely doing what I have to do.

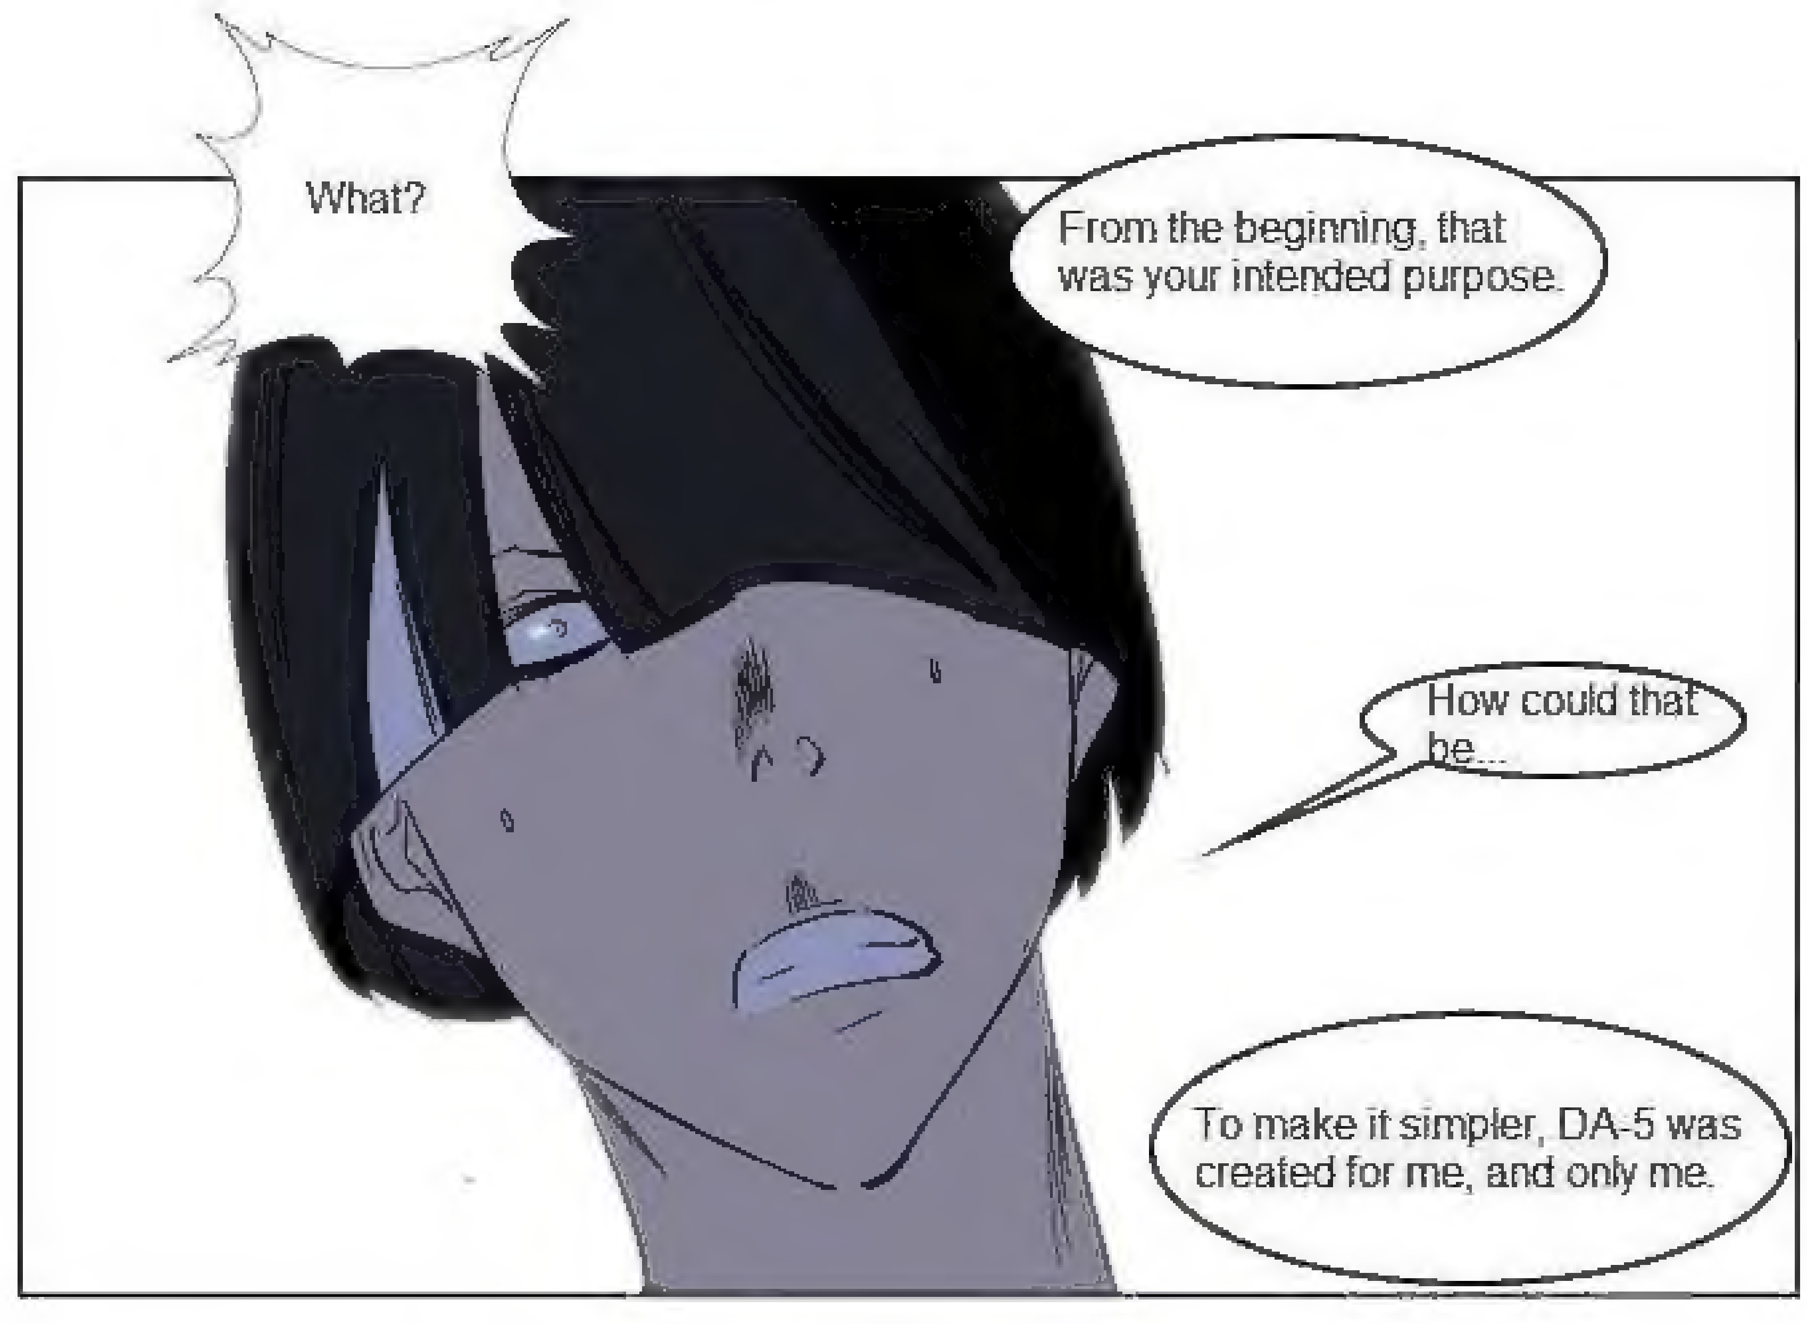
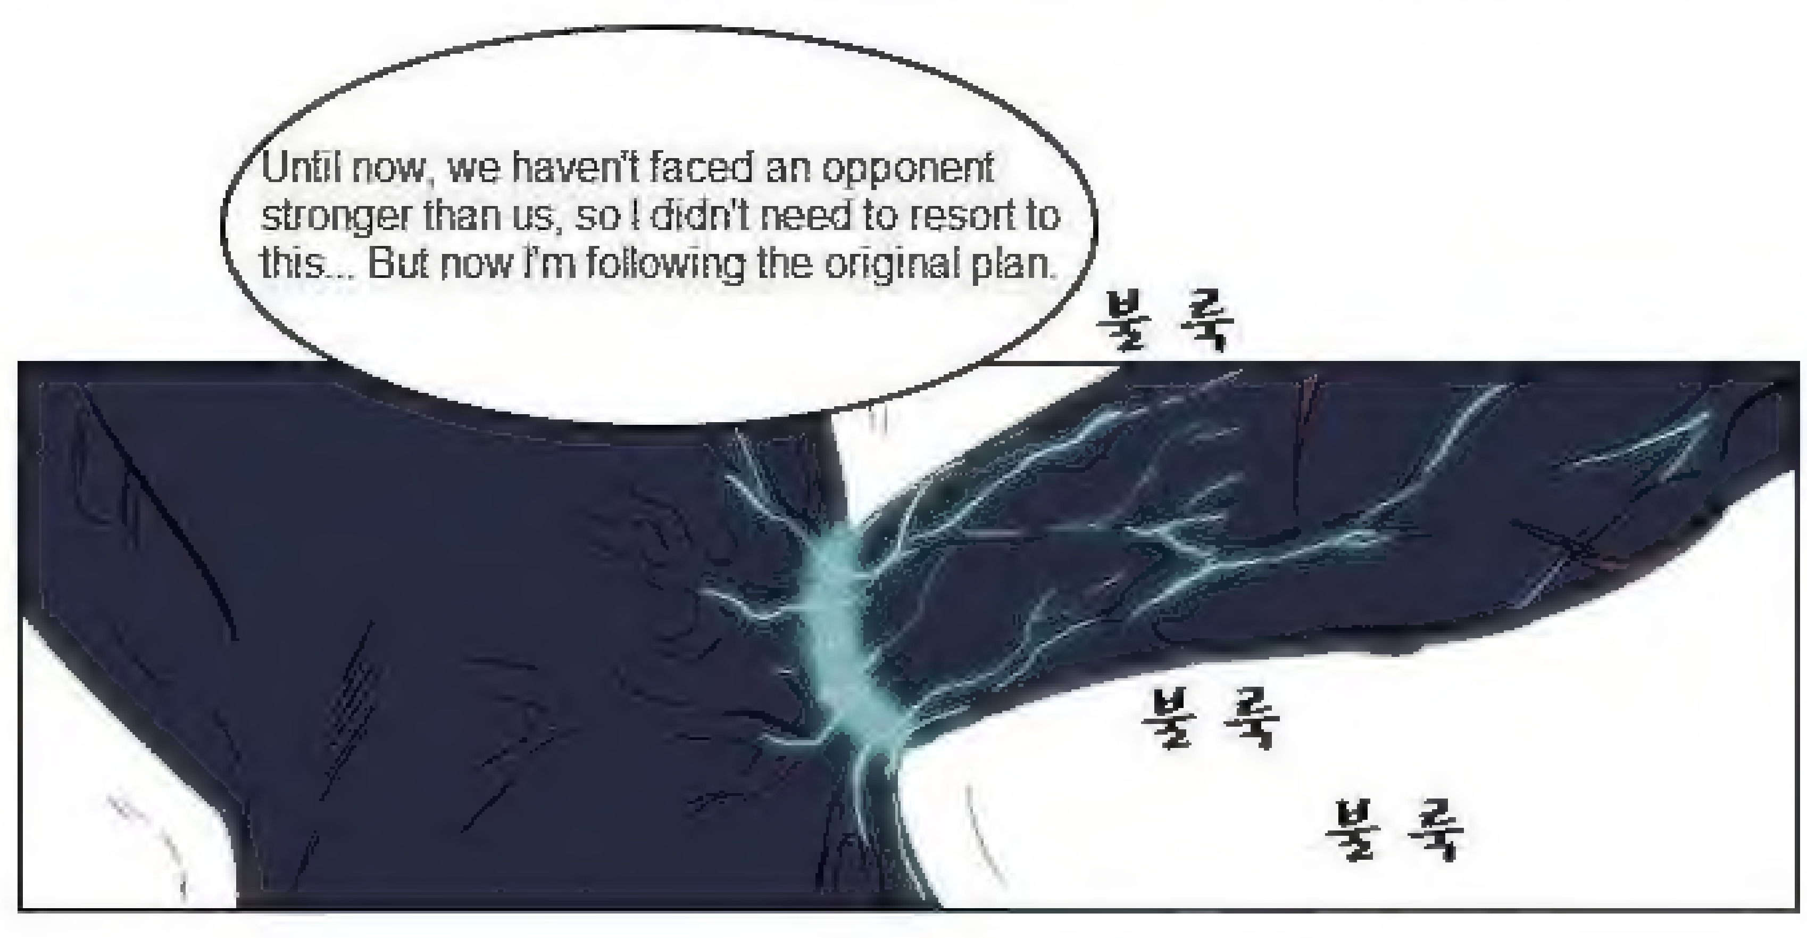
I'm only following the plans for when I encounter an opponent too strong.
Even so, attacking Shark like that...
Don't misunderstand. I'm not attacking Shark. I'm..
Absorbing Shark's power



What?
From the beginning, that was your intended purpose.
How could that be...
To make it simpler, DA-5 was created for me, and only me.



Until now, we haven't faced an opponent stronger than us, so I didn't need to resort to this... But now I'm following the original plan.

So...you are not an ordinary human, after all.
Yes, Miss Seira, I suppose you can't say that I'm ordinary.
The fact that you are here must also mean that Regis' mind control has not worked.
Ah, well...
Hyuu~ Regis is still rather immature....
Failing to notice/grasp the situation was also a mistake on my part.
Haha...

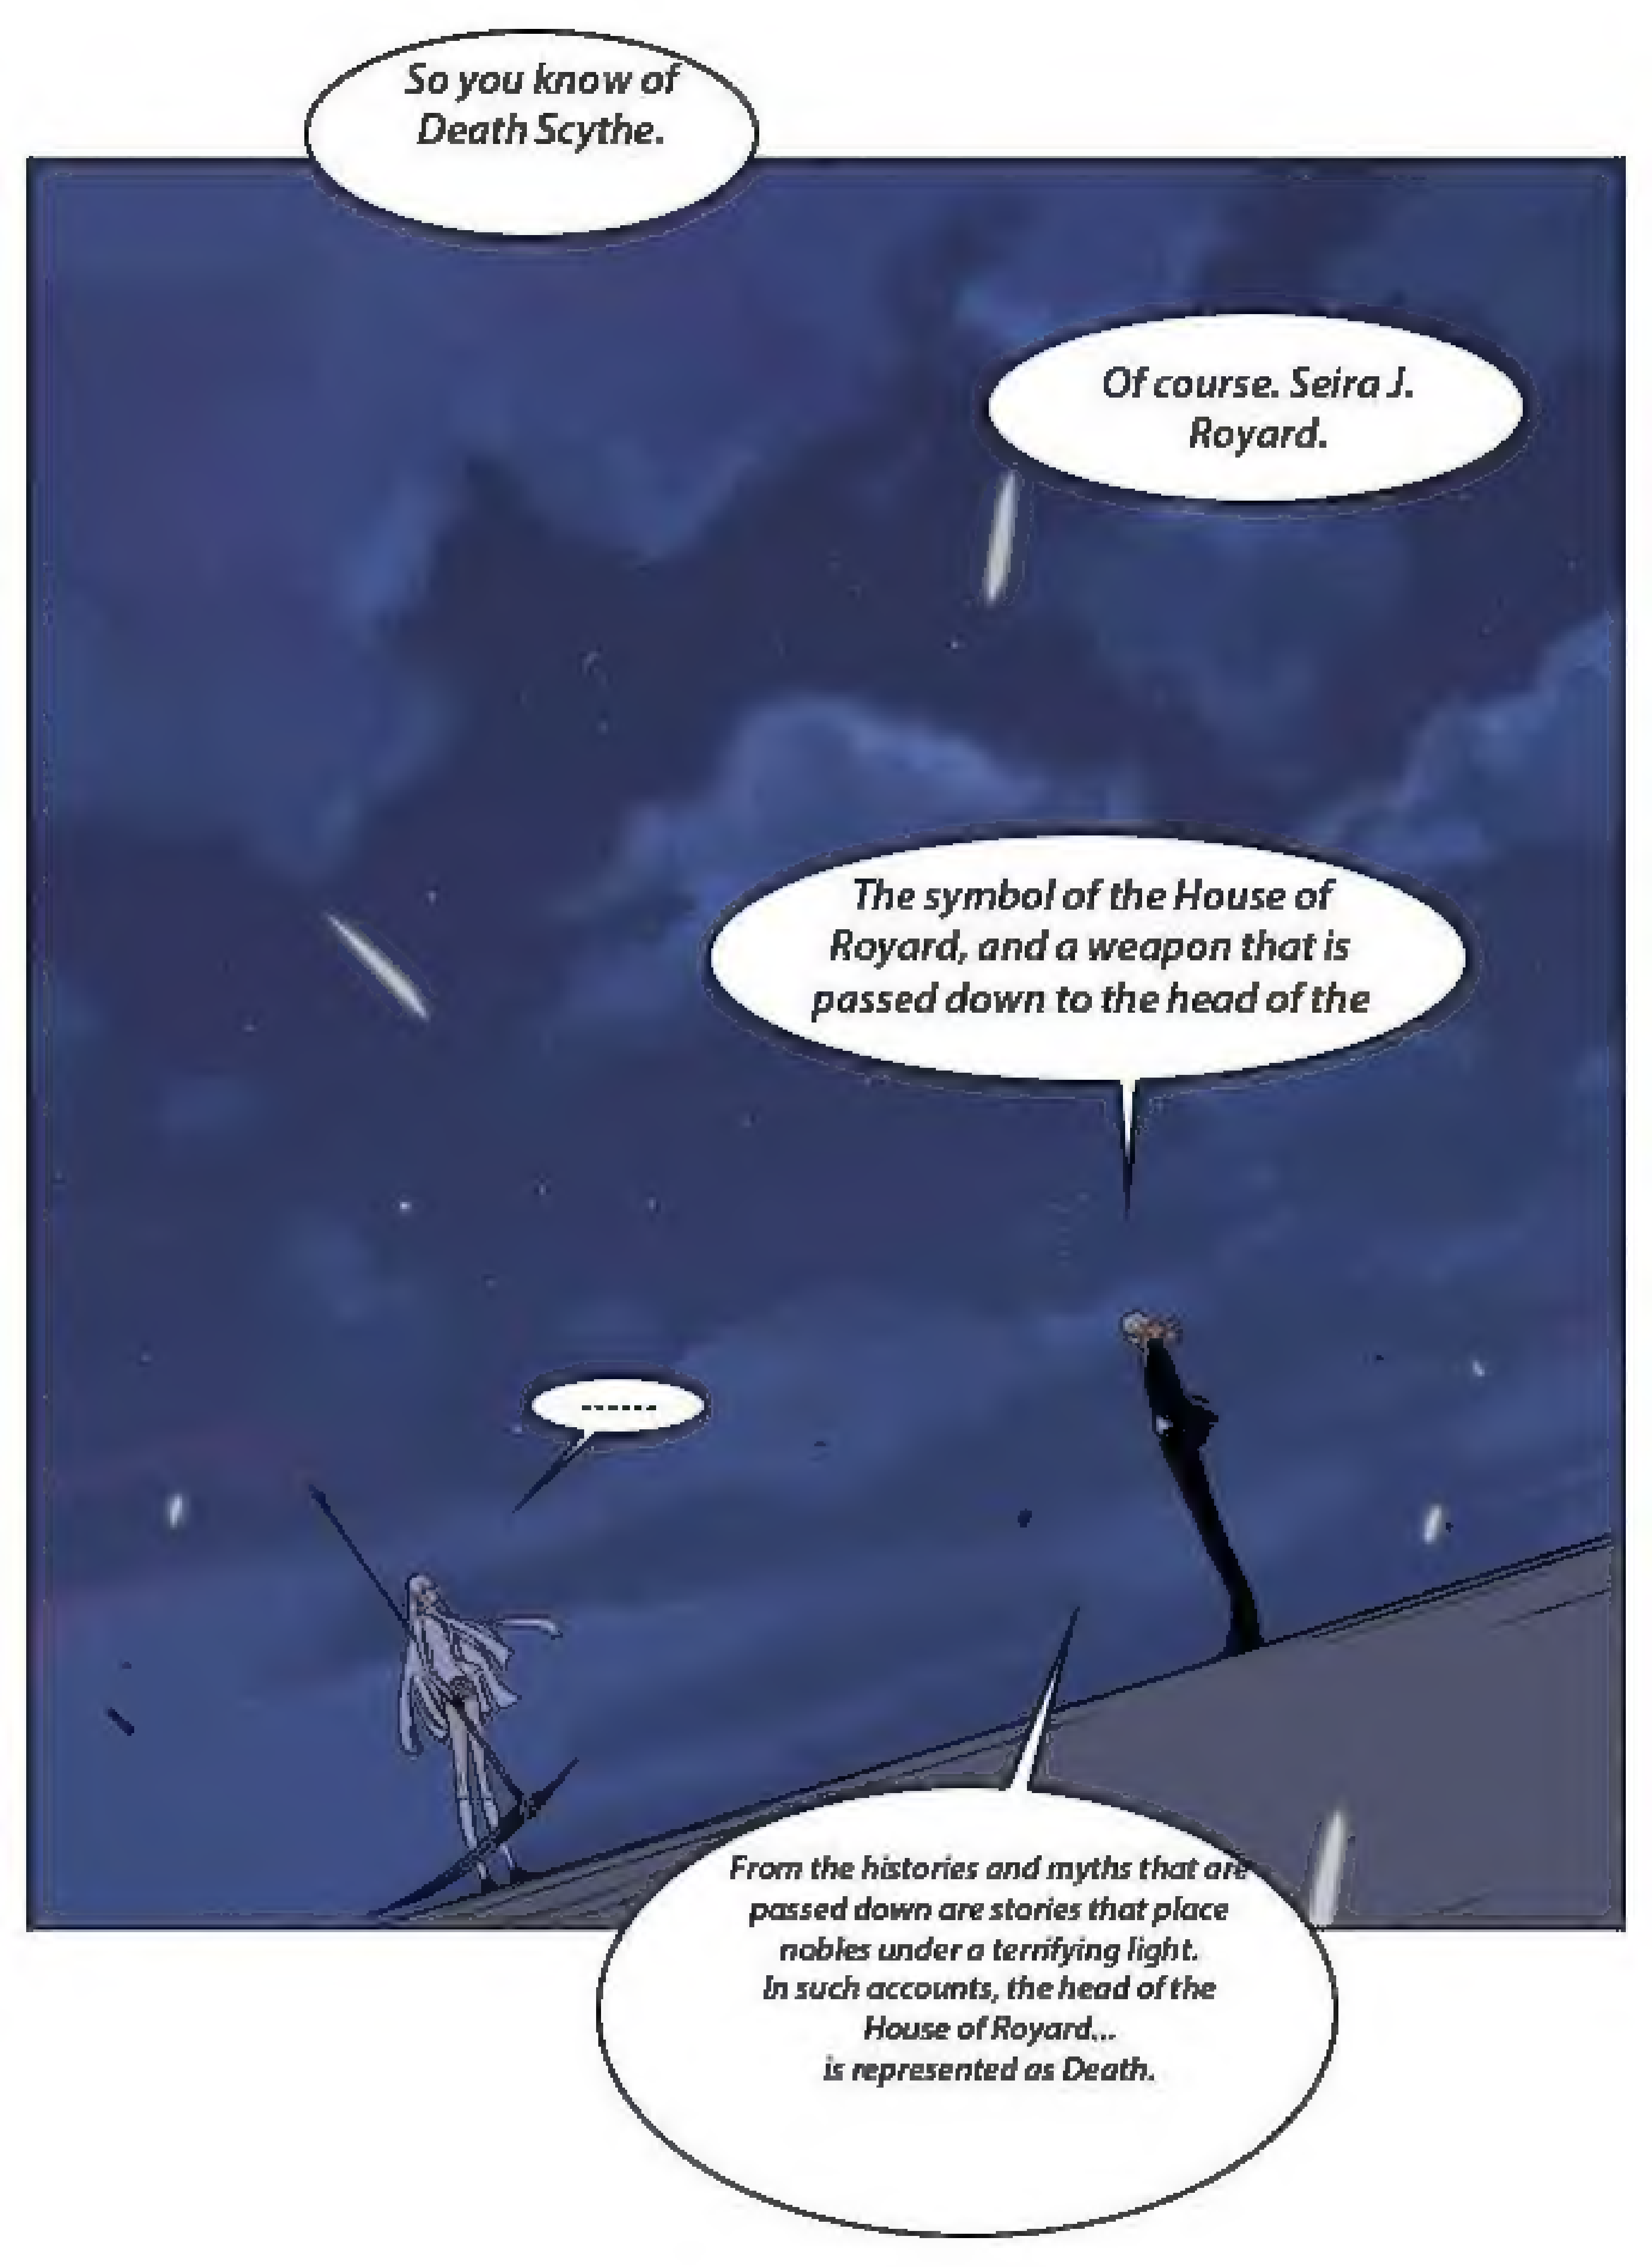
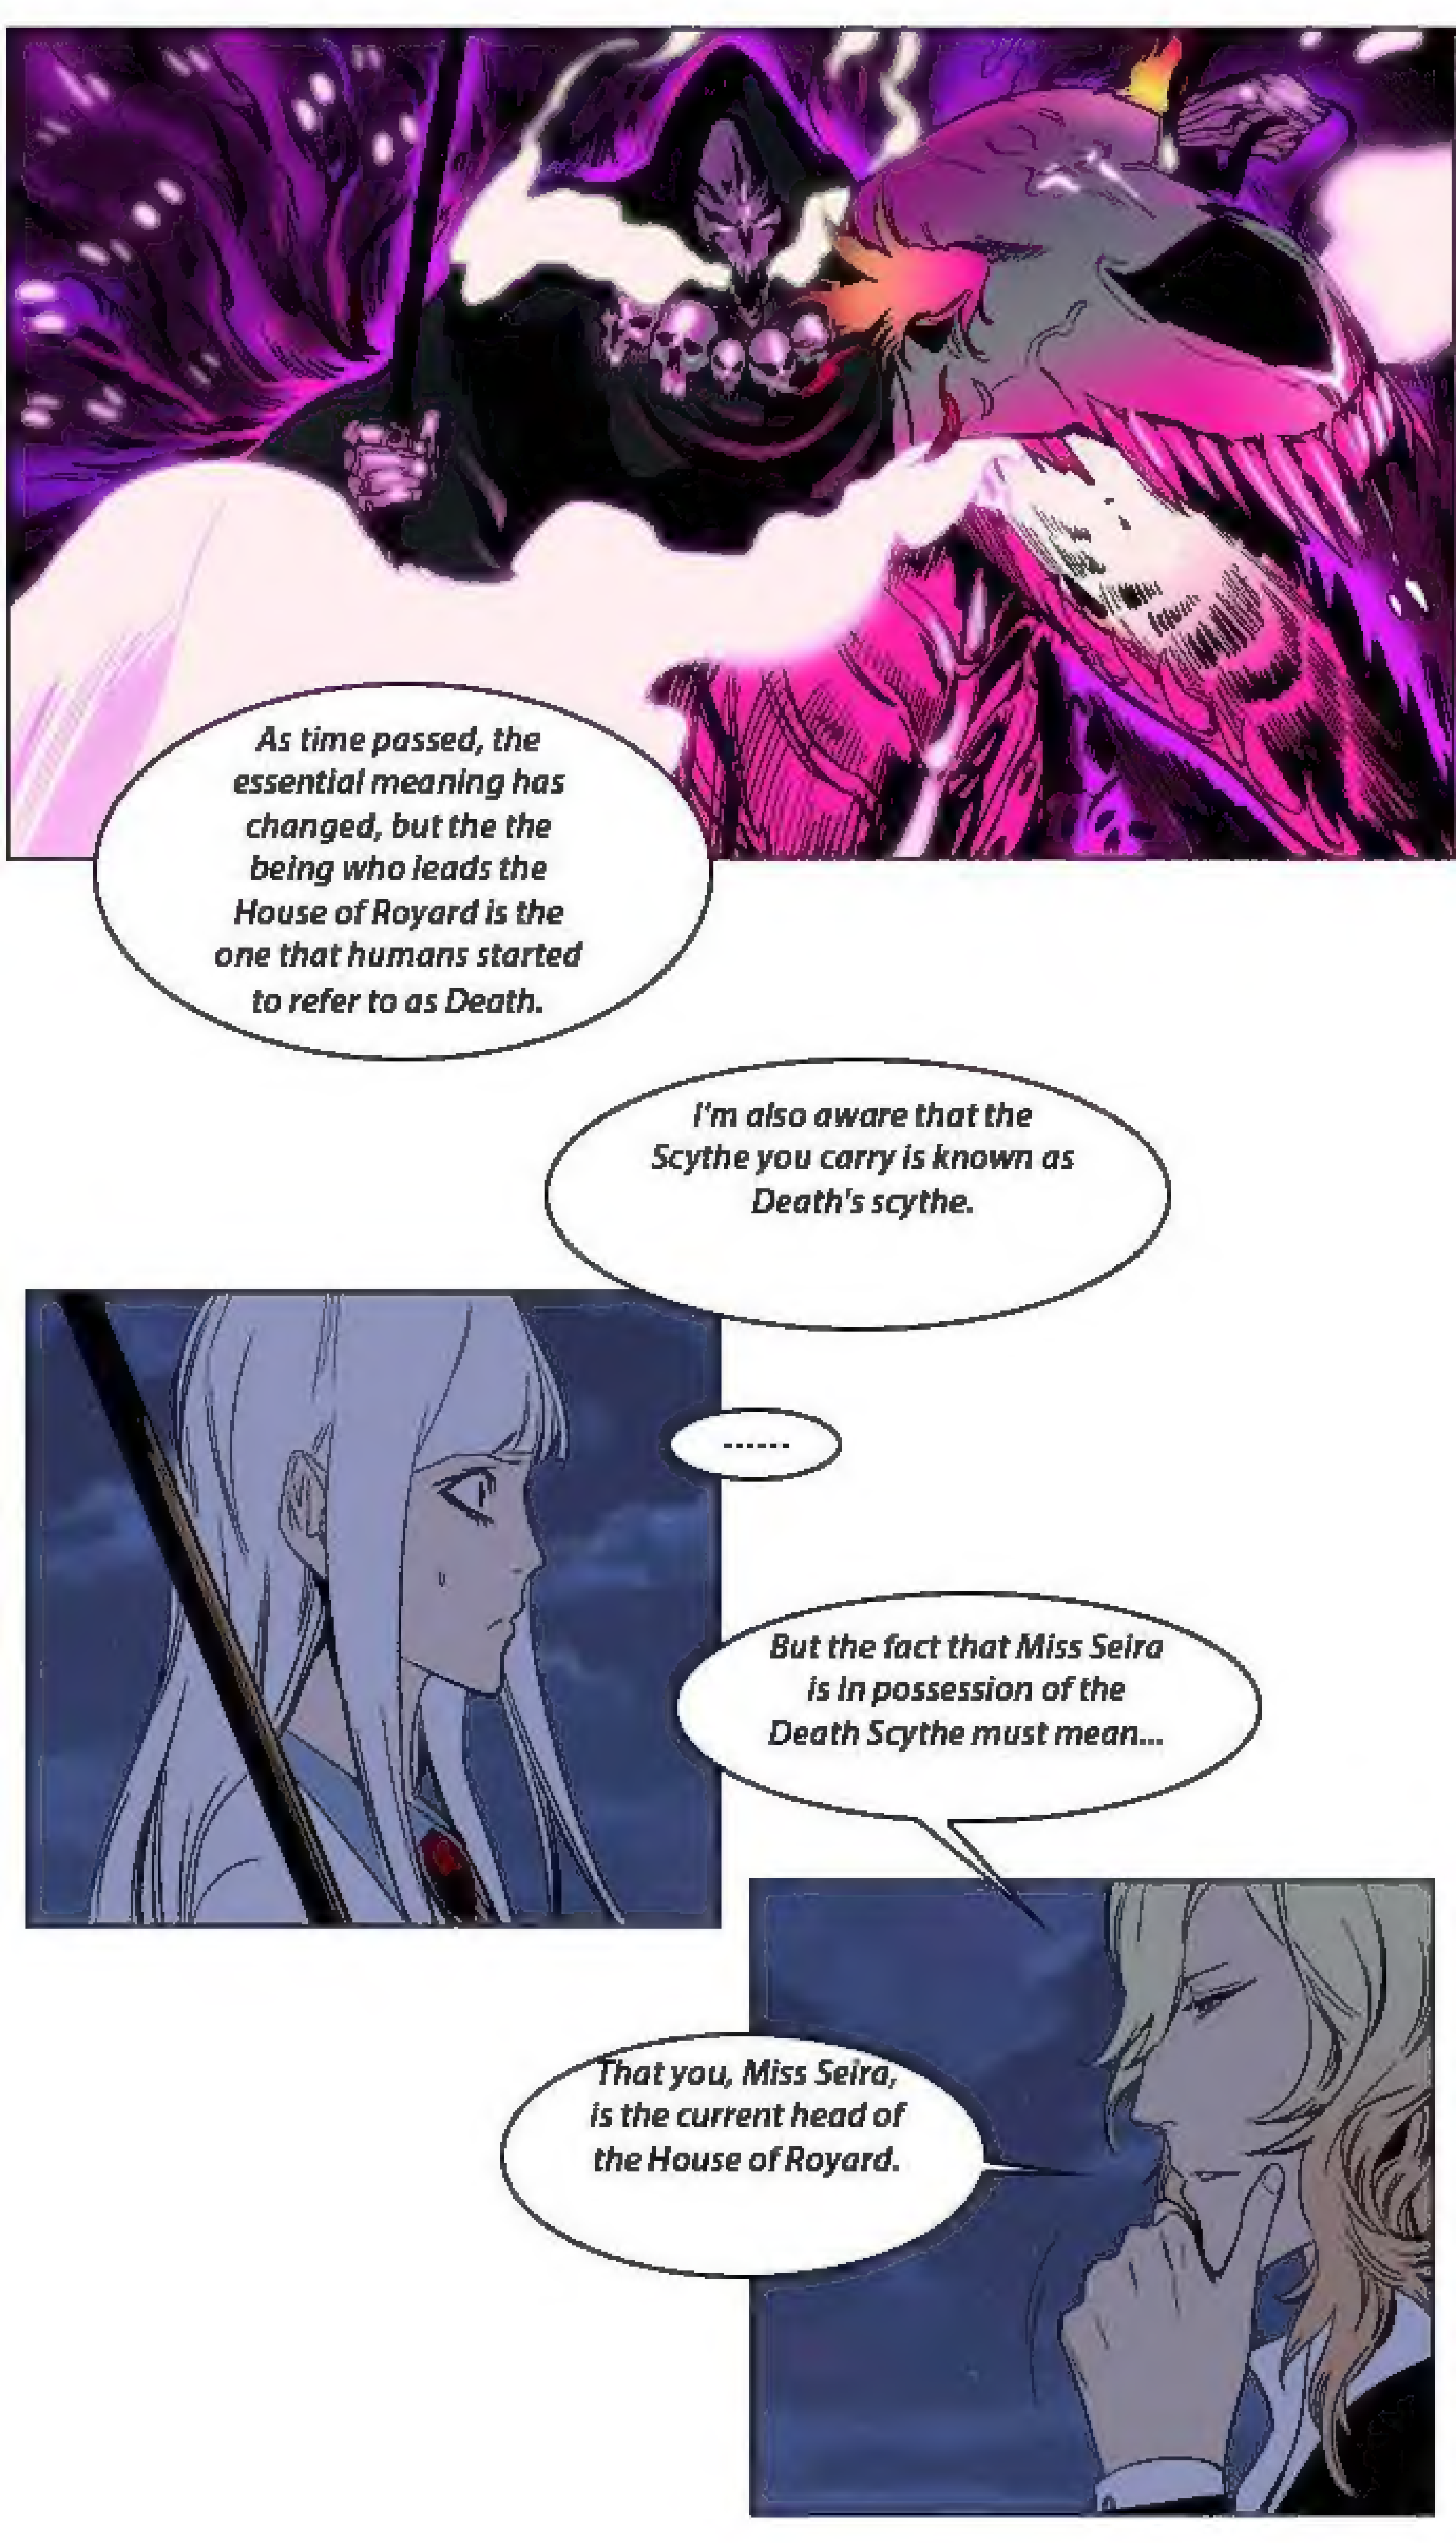
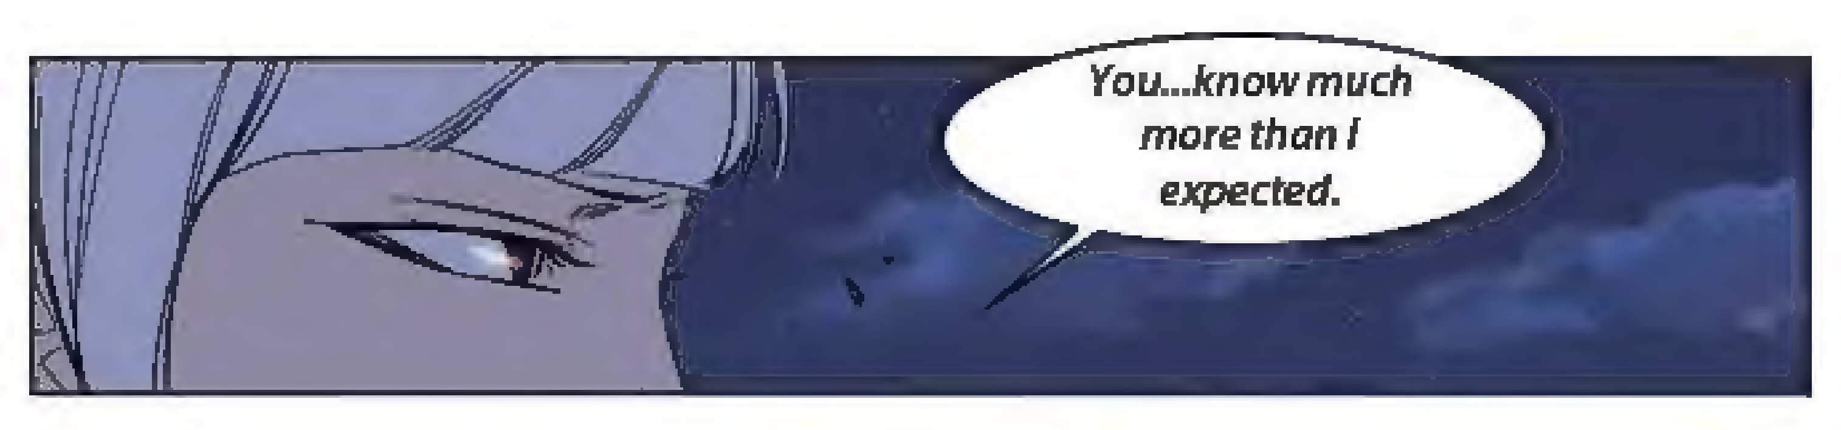
That is...Death Scythe?



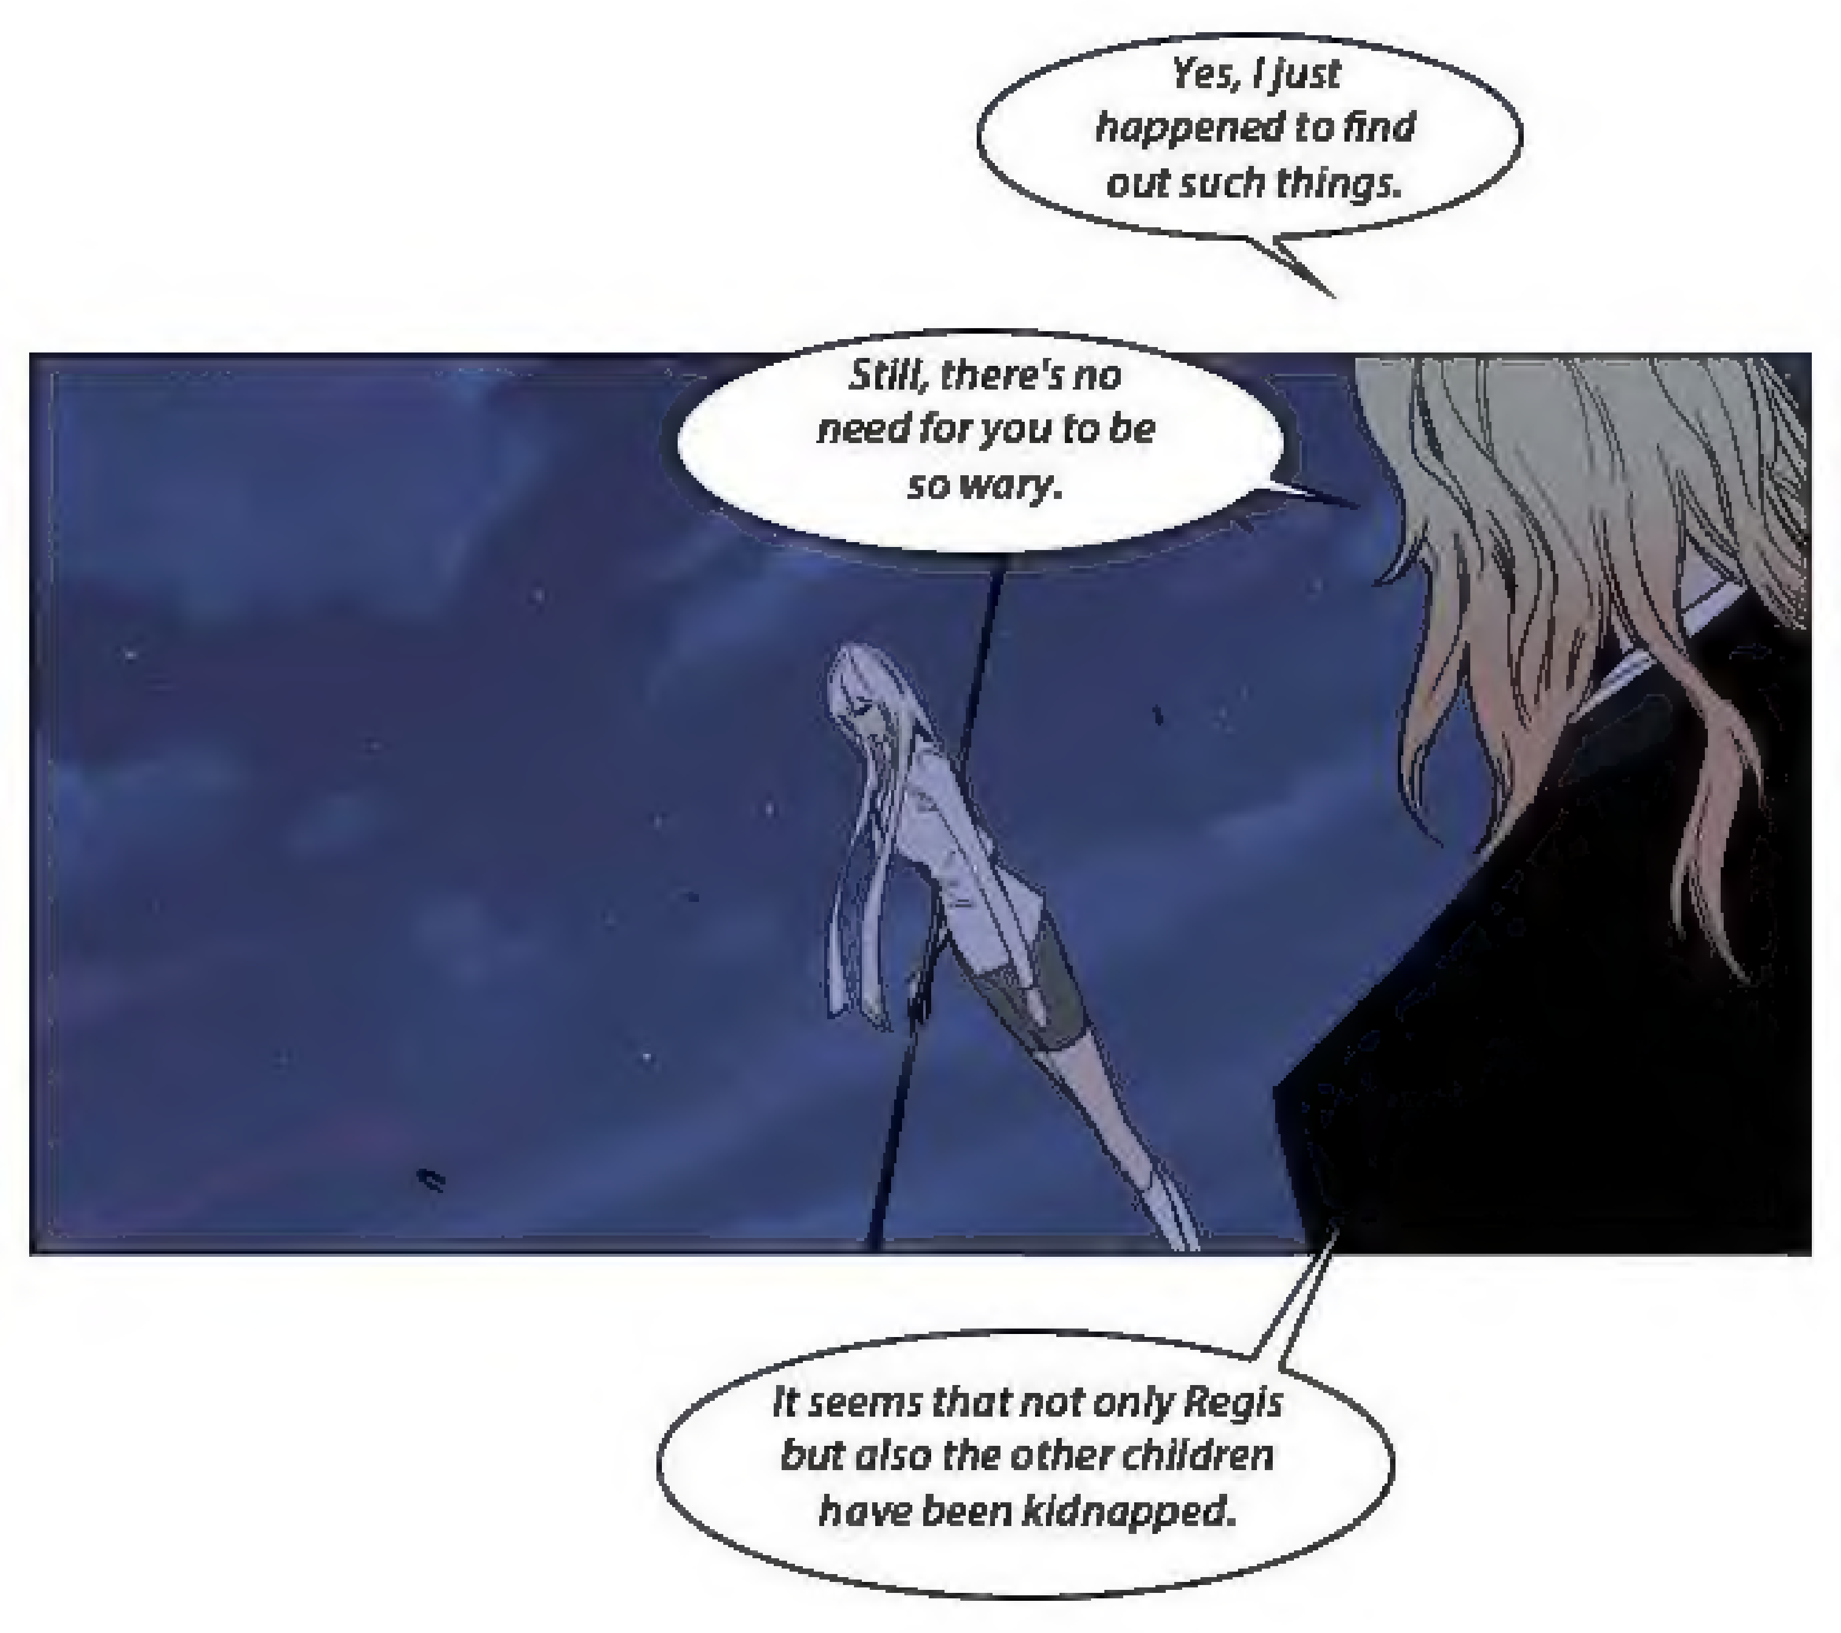
So you know of Death Scythe.
Of course. Seira J. Royard.
The symbol of the House of Royard, and a weapon that is passed down to the head of the
......
From the histories and myths that are passed down are stories that place nobles under a terrifying light. In such accounts, the head of the House of Royard... is represented as Death.



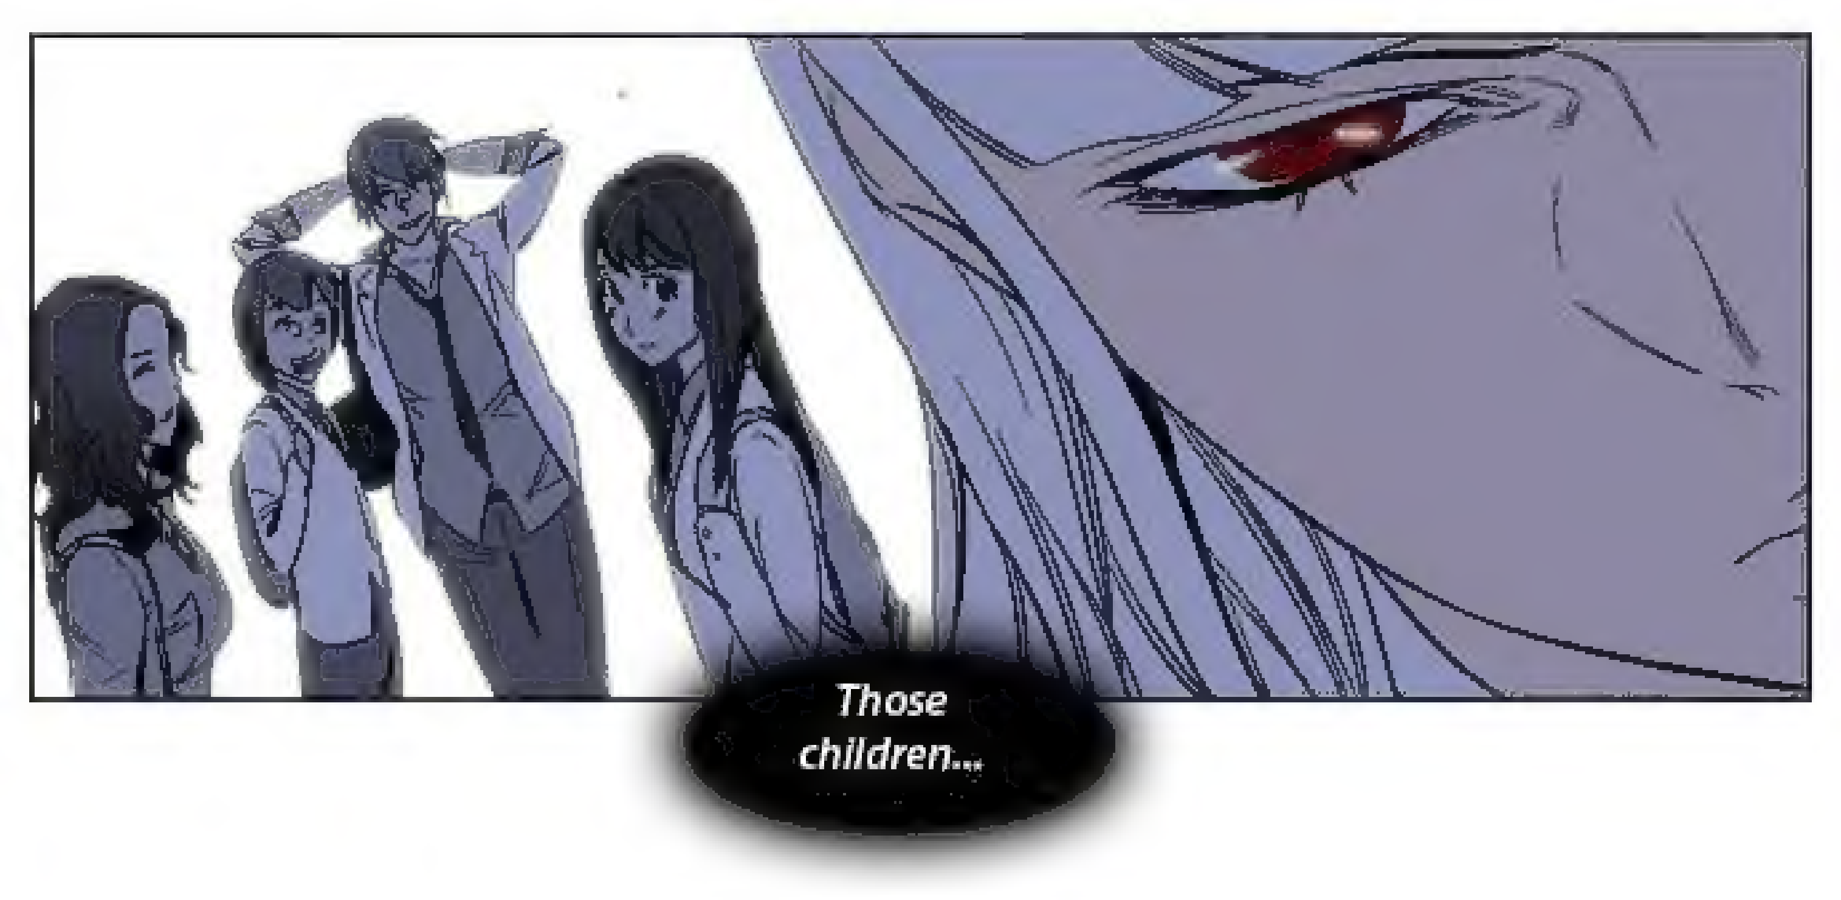
As time passed, the essential meaning has changed, but the the being who leads the House of Royard is the one that humans started to refer to as Death.
I'm also aware that the Scythe you carry is known as Death's scythe.
......
But the fact that Miss Seira is in possession of the Death Scythe must mean...
That you, Miss Seira, is the current head of the House of Royard.



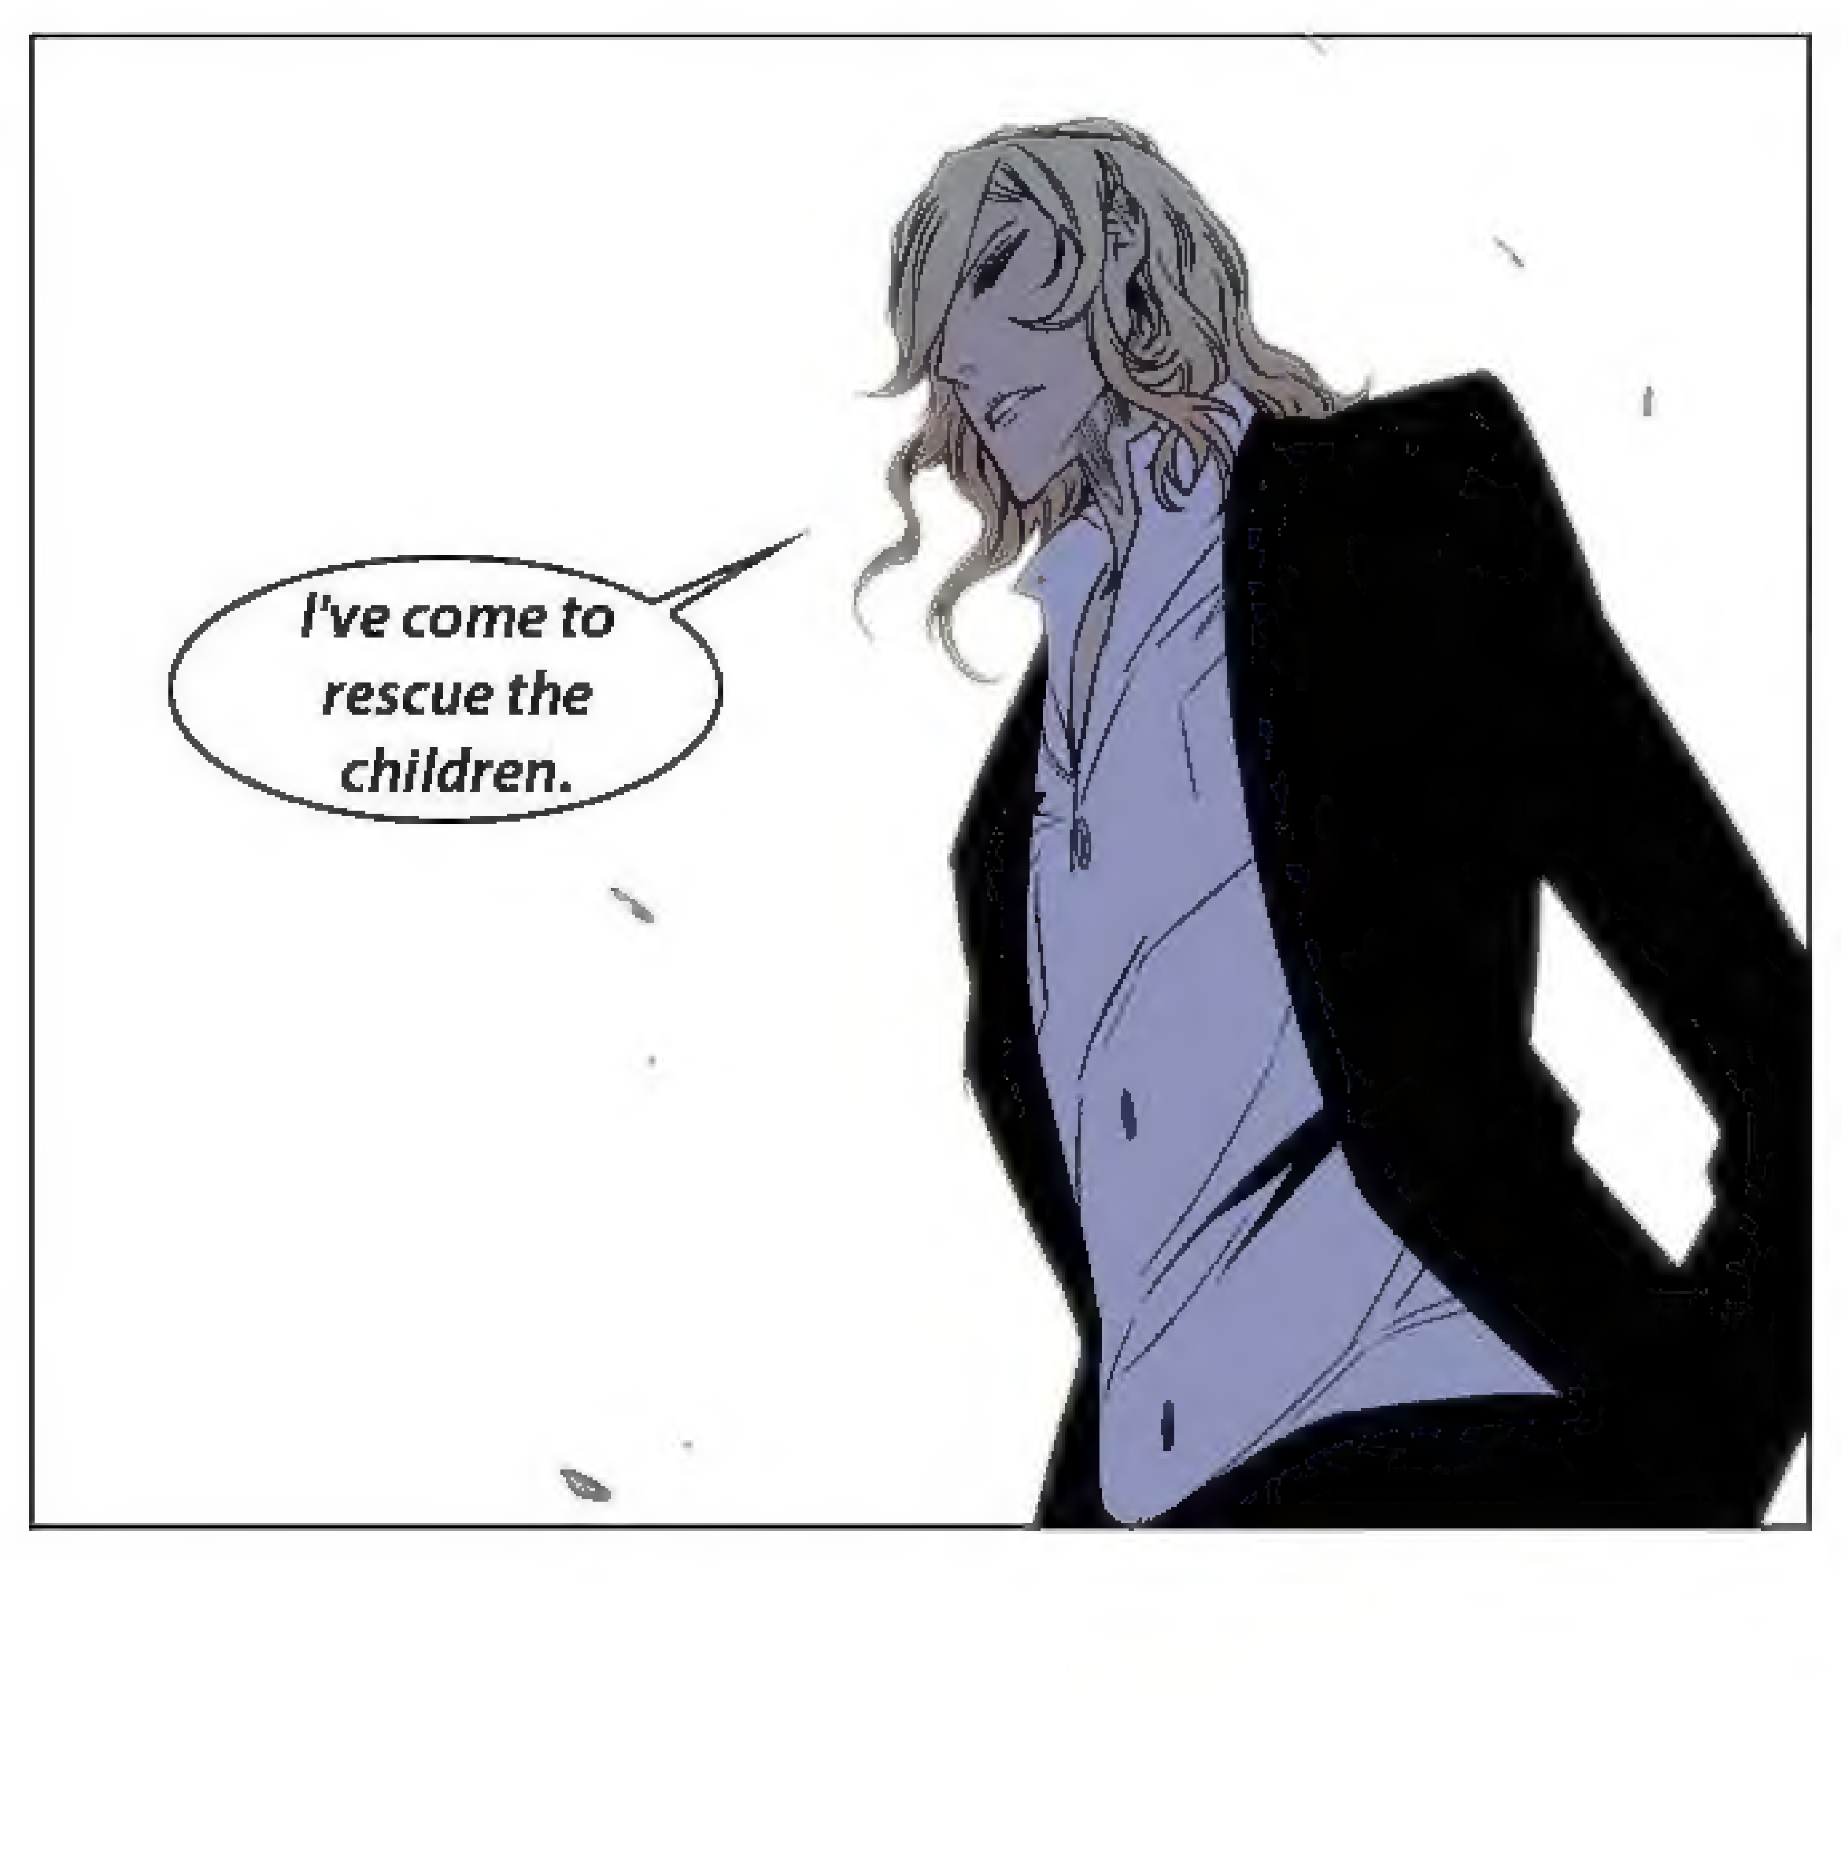
You...know much more than I expected.



Yes, I just happened to find out such things.
Still, there's no need for you to be so wary.
It seems that not only Regis but also the other children have been kidnapped.



Those children...



I've come to rescue the children.

여러분들께 먼저 죄송하다는 말씀을 올립니다.

피치 못할 사정으로 인해
작업 시간이 너무나 부족했던
관계로 135화는 짧게 올릴 수
밖에 없게 되었습니다.

평소와 같은 양을 작업하기엔
불가능 하기에 한화를 쉴까 혹은 특별편을
할까 많은 고민을 했습니다.

하지만 특별편을 하기 보다는 노블레스를
기다리는 독자분들에게 많지 않은 양이나마 본편을
보여드리는 것이 최선이라 여겨 이렇게
올리게 되었습니다.

여러분들을 실망시켜드려 정말 죄송합니다.

많이 부족한 작품인데도 늘 보여주시는
관심 감사드리며
136화에서는 더욱더 좋은 모습으로
찾아 뵙겠습니다.
